

Position: Conference Committee Chairperson,
Central Illinois Chapter of IFMA

CIC-IFMA is currently looking for someone to volunteer to be our conference committee chairperson. Duties include recruiting speakers for our conferences, running a committee of volunteers to facilitate the planning and implementation of conferences, procuring meeting spaces and being a liaison between the committee and the board. Any and all individuals interested in the built environment and/or who would be an asset to or receive value from our organization would be invited to these conferences. Qualified applicants should forward their profile to the chapter president. You can get the presidents email address above, next to his photo.
