

## Short Bio of 2014's Scholarship Recipient

<b>Name:</b>	Grant Ley
<b>School:</b>	University of Illinois at Urbana-Champaign
<b>Graduation Date:</b>	May 2015
<b>Field of Study:</b>	Architecture
<b>Ultimate career goal:</b>	"Looking ahead, I would like to become a licensed architect through NCARB. I also have a strong interest in urban design and planning, and I hope to combine those interests with architecture in order to ensure that we create sustainable and attractive building and community designs. It is important that we design not only for the site, but for our site context as well. Eventually I would like to start my own firm in the business of architecture and planning."

Grant Ley, the 2014 recipient of The International Facility Management Association Central Illinois Chapter's Annual Scholarship was presented with her check by board member John Huffman.
