

**Position:** Program Chairperson,  
Central Illinois Chapter of IFMA

CIC-IFMA is currently looking for someone to volunteer to be our program chairperson. Duties include selecting appropriate programs pertinent to the built environment which will be engaging and interesting for our membership to attend, sending out announcements of the program, coordinating with the webservant to execute sign-up forms and informational blurbs and pages on the CIC-IFMA website and acting as a liaison and master of ceremonies for the event. Applicants should forward their profile to the chapter president. You can get the presidents email address above, next to his photo.
